Re: Wrot & Cast Fittings and Flanges Pricing

Effective Monday, September 25, 2017, NIBCO will increase list prices on wrot and cast fittings and flanges.

Most prices are increasing by 8% (divide WROT-0817, ACR-0817, CAST-0817, FLNG-0817, LF-0817 and WRCB-0817 by .92), with some select SKUs reflecting higher or lower increases. Please review the new list price sheets for specific price changes. Current multipliers will remain in effect.

The new list price sheets, WROT-0917, ACR-0917, CAST-0917, FLNG-0917, LF-0917 and WRCB-0917 will be available the week of September 18, via the NIBCO websites at [www.nibco.com](http://www.nibco.com) and [www.nibcopartner.com](http://www.nibcopartner.com). You will have the option of printing a copy of the price sheet in PDF format or downloading list prices in MS Excel format.

If you have questions, please contact your NIBCO sales or customer service representative. Thank you for your continued support of NIBCO products.

Sincerely,

NIBCO INC.
